The Trenches  
to the Front  
and the Men  
Who Will Soon  
March Through

At Right—

Where United States troops first went under fire. Picture shows communication trenches leading to first line sector in which a handful of American soldiers fought off a big German raiding party.

Over a network of trenches at a National Army camp detachments are constantly sent in practice charges to get the "feel" of war.

Committee on Public Information.

Generous rivalry exists between the Americans and their French comrades. Here two are shown comparing rifles and discussing the relative merits of the weapons. The scene is close to the front at a spot the location of which must be kept secret.
